## IN THE SPOTLIGHT IS GLORIA DONOVAN

Gloria Donovan is very grateful for the professional, thoughtful and compassionate services that she received while on the second floor. When she first went to the second floor, she was unable to stand and could only get around with her scooter. For a week she worked on her balance and getting back to her vivacious self.

The Physical therapists were so accommodating and went to work with Gloria in her room when she was unable to make it to therapy.

Gloria wants to thank all the staff and especially Nancy who helped her regain her strength and get her life back.
